Lifestyle from Melodi

The new LIFESTYLE mobile portals from Melodi provide you with a fully managed online mobile offering with access to a wide range of content from celebrity news to horoscopes, as well as standard ringtones and logos. Infact, the Melodi Lifestyle portals are a one stop shop catering to a wide demographic, comparable to on deck carrier portals.

Optimised for all handsets including the iPhone, LIFESTYLE is available as a true white label product. Simply add a logo, colour scheme and set your chosen commercial model.
